

Join the Friends of Miller Woods today!

The Friends of Miller Woods is a group of people who are committed to preserving Miller Woods for generations to come. Our goal is to inspire responsible stewardship of this historic forest through education and community awareness.

We generate funds for maintenance such as new signage, fence repairs, removal of invasive shrubs; newsletters and other mailings of interest and educational intent; to pay for guest speakers. We are also trying to build a large enough fund of reserves so as to protect the woods in the next threat of development. The funds are held in an account through the Educational Excellence Foundation, a local foundation that is based in Plymouth. It allows us to be a part of a non-profit organization even though we are a very small group. All donations are tax-deductible, including memberships, as this is a 503-C organization.

Please make your check out to “Educational Excellence Foundation” with Miller Woods written in the memo area. A yearly membership is \$25.
